

DAN DEMP Provider

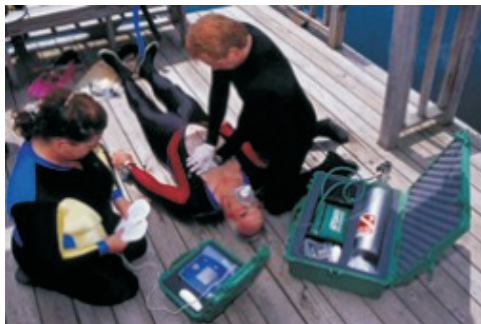

DAN's **Diving Emergency Management Provider** program helps prepare you to handle most diving accidents. The program covers material that would normally be found in 4 courses - **Oxygen First Aid for Scuba Diving Injuries, First Aid for Hazardous Marine Life Injuries, Advanced Oxygen First Aid and AED for Scuba Diving Emergencies.**

By removing the duplicate information, this program can be taught in a single day, giving you the opportunity to learn 4 courses in a fraction of the time and cost!!

Looking for the DES rating? Completing the DEMD course plus a Rescue Diver certification and First Aid/CPR training will get you this rating!! Ask for your application.

**Compare - 4 programs normally \$450 + HST
DEMP Provider Course - \$269 + HST**

**Prerequisite: Current CPR Training (24 months)
One day program!!!**

Next Course: Dec 17 @ 10am - Pre-registration required
